PROFESSIONAL SUMMARY

Product and technology delivery professional with 7+ years of experience across digital transformation, government programmes, Agile product delivery, data-driven reporting, and cross-functional execution. Experienced in translating operational and stakeholder needs into product requirements, dashboards, management reports, and technology-enabled workflows. Hands-on with AI tools including ChatGPT, Claude, and Microsoft Copilot for drafting, research, analysis, documentation, and workflow improvement. Combines structured problem-solving, stakeholder communication, and delivery governance with a practical interest in building AI- and data-enabled products.

SKILLS and COMPETENCIES

- Product Management: Product Road mapping, Agile/Scrum, Backlog Prioritisation, Requirements Engineering, SDLC.
- AI and Automation: ChatGPT, Claude, Microsoft Copilot, Prompt Engineering, AI-Assisted Workflows, RAG.
- Data Analytics: Advanced Excel, Pivot Tables, MIS Reporting, Dashboards, KPI Tracking, Data Quality.
- Technology and Integration: REST APIs, System Integration, Data Pipelines, Schema Validation, UAT, CI/CD Coordination, DevOps Collaboration.
- Project and Delivery Management: Sprint Planning, Release Management, Risk Management, Stakeholder Management, Cross-Functional Team Leadership.
- System Design and Architecture: High-Level Design (HLD), Low-Level Design (LLD), API Design, System Integration, Data Flow Diagrams (DFDs), Scalability, and Technical Documentation.
- Technical Documentation: PRDs, BRDs, FRDs, SRS, SOPs, DPRs, MSRs, Technical Specifications.
- Tools: Jira, Confluence, Figma, Balsamiq, MS Visio, Microsoft Excel, PowerPoint, Word.
- Languages: Assamese, English, Hindi, Bengali (Basic), French (Basic).

PROFESSIONAL EXPERIENCE

ConveGenius | Guwahati, Assam
Product Delivery Manager | Dec 2025 – Present

- Leading delivery and operations for Assam's Vidya Samiksha Kendra (VSK)

Grant Thornton Bharat LLP | Shillong, Meghalaya
Project Management Consultant | Aug 2024 – Dec 2025

- Led government consulting engagements focused on digital transformation, e-governance, and IT modernisation initiatives.
- Managed end-to-end project planning and implementation, ensuring alignment with government priorities, project milestones, deliverables, and quality standards.
- Prepared Detailed Project Reports (DPRs), Monthly Status Reports (MSRs), gap assessments, and market research reports to support policy planning and administrative decision-making.
- Coordinated with government departments, state authorities, regulatory bodies, and private-sector stakeholders to drive project implementation and resolve dependencies.
- Supported state-level digital governance initiatives, policy development, risk assessment, compliance monitoring, and resolution of critical project escalations.
- Developed system design documentation, data flow diagrams (DFDs), and integration frameworks for scalable digital governance solutions.

Wednesday Solutions | Pune, Maharashtra
Technical Project Manager | Aug 2022 – Jul 2024

- Managed end-to-end Agile SDLC, sprint planning, backlog prioritisation, and technical release roadmaps.
- Translated business requirements into technical PRDs, user stories, acceptance criteria, and implementation tasks.
- Coordinated Engineering, QA, and DevOps teams on CI/CD pipelines, build validation, automated testing, deployment dependencies, and production releases.
- Managed UAT, defect triage, release readiness, environment coordination, and production issue resolution.

- Tracked engineering delivery metrics, including deployment frequency, lead time for changes, change failure rate, and recovery time using DORA metrics and Jira dashboards.
- Defined high-level system architecture, application workflows, API integrations, and data flows to align technical solutions with product requirements.
- Implemented Jira workflow automation to improve delivery tracking, reporting, and operational efficiency.

SoulpageIT Solutions | Hyderabad, Telangana
Associate Business Analyst | Jul 2021 – Jul 2022

- Coordinated cross-functional product teams, facilitated Scrum ceremonies, managed sprint backlogs, and tracked delivery against product milestones.
- Gathered and translated business requirements into BRDs, FRDs, SRS, user stories, functional specifications, and product documentation.
- Managed stakeholder alignment, requirement prioritisation, scope changes, and dependencies across multiple product workstreams.
- Executed UAT and functional testing, developed test cases, validated product features against acceptance criteria, and designed wireframes and user flows using Balsamiq.

Social Welfare Department, Government of Assam (Contract) | Guwahati, Assam
Project Associate | Sep 2019 – Jun 2021

- Managed the establishment of a higher secondary institution for visually impaired students under a government mandate.
- Coordinated recruitment, training, and capacity building for teaching and non-teaching staff.
- Supported implementation of government welfare schemes, including Beti Bachao Beti Padhao, scholarships, stipends, uniforms, and textbooks.
- Prepared reports and policy documentation for education authorities and coordinated parental engagement and student welfare measures.

EDUCATION

- Master of Business Administration (MBA) | Gauhati University | Aug 2018 – Dec 2020
- Bachelor of Technology (B.Tech), Computer Science Engineering | Gauhati University | Aug 2014 – Jul 2018

CERTIFICATIONS

- System design – Mantra Associates
- Big Data Analysis – Kovid Academy
- Cybersecurity Assessment – LearnTube
- Cybersecurity Course – OHSC

AWARDS and RECOGNITION

- Employee of the Month – Spot Award, Grant Thornton Bharat LLP
- Employee of the Month – Odin's Torchholder, Wednesday Solutions (Q1–Q3 2023); recognised for DORA metrics and Jira automation
- Above and Beyond Award – Soulpage IT Solutions (June 2022)
- Employee of the Month – Soulpage IT Solutions (April 2022)
- Best College Coordinator – Internshala ISP 1.0 (July 2018)
- Anandaram Baruah Award (2011)

PUBLICATION

- "Handwritten Assamese Character Recognition" - published in IEEE Xplore
